

Welcome to the **2026 FAIR Conference!**

We're so glad you'll be joining us for what promises to be a powerful, faith-building experience.

The conference may be viewed here:

<https://fairlatterdaysaints.org/store/conference-streaming-2026/>

If you are not logged in yet, you will see a message like the following. Click where it says "login first."

 To access this page, you must purchase [2026 FAIR Conference – Streaming Pass](#), [2026 FAIR Conference – VIP Patron Ticket](#), [2026 FAIR Conference – Sustaining Member Bundle](#) or [2026 FAIR Conference – Classroom Streaming License](#). If you have already, but you are still seeing this message, **login first**. Got questions? Email [help@fairlatterdaysaints.org](mailto:help@fairlatterdaysaints.org).

On the login screen, you have two options:

1. There is a new option at the top where you can enter your e-mail address, and a link will be sent to you that will automatically log you in. (This is especially handy if you don't remember your password, or you're not sure whether you have an account.)
2. Or you can login the traditional way by entering your e-mail address and password in the lower left.

*Note: If you bought your streaming ticket without using a store account, you will need to create one before you can log in.*

After logging in, you should be sent back to the streaming page, and the video viewer will now appear. If not, click "Conference Streaming Page" at the menu at the top of the page.

Take a minute to bookmark the page so that you can return easily! After the conference, you can return here to watch conference presentations on demand.

If you have trouble logging into your account, or streaming problems during the conference, email us at: [help@fairlatterdaysaints.org](mailto:help@fairlatterdaysaints.org)

As you watch the live stream, questions can be sent to the presenters by text at (801) 801-4959

We hope you enjoy the conference!
